**Sec. 30-1. Place system for election of aldermen.**

The city hereby adopts the place system for the election of the aldermen. As terms of incumbent aldermen expire, each candidate for the office of alderman shall file his application for a specific place on the City Council. In such election the ballot shall show each office of alderman as a separate office by place number with the name of each candidate printed thereon under the specific office for which he is a candidate.
